About DOCTAILS

Sky Foundation's Doctail Mixer is a party with a purpose! Guests will enjoy cocktail and mocktail samples, appetizers, and live music along the shore of beautiful Pine Lake in West Bloomfield. A cash bar and raffles will also be available.

Our Doctenders will craft a signature cocktail. All ingredients will be provided by Pine Lake Country Club. Guests will cast their votes with donations—so while it's a friendly competition supporting pancreatic cancer research, we know you still want to take home the win!

We encourage you to decorate your table with signage, lights, themed elements, or anything else that adds personality and flair.

**A SELECTION OF PRE-MADE DRINK OPTIONS
AND A FULL LIST OF AVAILABLE INGREDIENTS
WILL BE PROVIDED UPON ACCEPTANCE**
